Activities And Organizations

1976 Homecoming Memories

Homecoming memories were made on October 15, 1976 when a new Queen and King were crowned in an afternoon program. The theme for the coronation ceremonies was "Remember" with red and cream colors.

To boost school spirit, grades 7-12 decorated the walls of the gym. Sophomores took first place while the Juniors took second place.

M.C. Greg Ellenwood introduced the many skits which showed enthusiasm and imagination. Mr. Jacobsen also presented a pep talk.

The afternoon's highlight came when the 1976 Homecoming royalty were crowned. This year's Queen and King were Amy Kisler and Larry Hutsell. First attendants were Peggy Hoegh and Gordon Harris. Second attendants were Mary Vanosdall and Frank Montelongo. The royalty and attendants were escorted by corvettes at halftime of the football game.

A dance was held in the gym following the game.

Vince Ferragamo, All-American quarterback for the Nebraska Cornhuskers was our guest speaker for the evening. Announcements of the 1977-78 cheerleaders was given by Mr. Jacobsen.

Coaches then recognized letterwinners in volleyball, football, basketball and track. A dance followed in the gym featuring disco jockey, Redd Tag.

Activities Keep Student Council Busy.

Membership for the Student Council this year consists of the vice-president and another member from each class, grades 7-12.

Several activities kept the 12-member group busy throughout the school year. The main source of income for the year came from the selling of school activities calendars. This is the third straight year the student council has done this.

A special day was set aside again this year to sell suckers to help in the fight against Muscular Dystrophy.

A Christmas skating party was held at Grand Island's Skate Island to add a bit of fun and recreation to the school year. Grades 7-12 attended the all-day party.

FHA Faces New Challenges

FHA members worked hard on many different activities which kept them busy.

We again held the annual Salad Supper which is our only money-making project. There was a large turn out with good food for everyone.

A Christmas party was held with every member having a "secret sister". It was a lot of fun for the girls to try and guess their "sister".

As a special project the FHA made several trips to the School for Exceptional Children. It was a learning session for both the children and FHA members.

To get organized for next year, installation of the 1977-1978 officers was held in Central City on April 12.

There was good participation at District and State Convention where many new ideas and suggestions were brought home.

Girls Join M-Club

A change was made in M-Club this year by allowing girls to join which upped the membership to 25.

To keep busy throughout the school year, the group sold cub jackets to students and community members to help boost school spirit. The many fund raising activities helped finance Homecoming and the Athletic Banquet.

An old organization got a fresh start with the formation of a group which allowed boys and girls grades 7-12 to participate in the backing of the spirit of MHS.

Mr. Jacobsen sponsored us in moneymaking projects which consisted of selling "All-American" gift kits and running a concession stand at all home football, volleyball and basketball games. The money earned from these projects was used to prepare Homecoming and Athletic Banquet activities.

We also sponsored a blanket toss for the Easter Seal Foundation during the halftime of the basketball games.

After the first year of Spirit Club, changes were made to improve the organization.

The girls made it through their second season by working hard and putting in a lot of time and effort. The team got a jump on the season by having six of the ten members as returning letter winners. But there was still much to be learned about the game and Coach Abele was there to teach us.

Added to this year's schedule were two tournaments and the Cub team participated in both.

Selected to the All-Conference second team this year was Peg Hoegh.

Big Step For Jr. Hi.

The 7th Graders moved up a year and found Jr. High to be different. Starting a treasury was hard work but fun. Picking up corn, concessions at Jr. High games, and bake sales were a start. Helping Miss Didriksen to keep the class together were President, Billy Griffith; Vice-President, Cindy Larson; Secretary, Susan Kauffman; and Treasurer, Linda Johnston.

Mrs. Widge helped the 8th graders get ready for their graduation. They decided on the motto "Finished—Yet Beginning", class colors of navy blue and holiday red and the class flower as the red carnation. Escorts were Billy Griffith and Susan Kauffman. Officers were President, Mike Luff; Vice-President, Annette Andersen; Secretary, Michelle Ellenwood; Treasurer, Allen Andersen.

The Junior High sports were basketball, Track, and Volleyball. The volleyball girls received a 2nd place trophy.

Facing Graduation

Faces of old and faces of new,
People we know and people we knew,
Growing together then drifting apart,
Always an ending and now a new start.
At graduation we all grow nearer,
And all of our friends seem so much dearer.
And as we say our final good-bye,
One last embrace and one more cry,
A "keep in touch" and a "promise I will",
A "remember when", but better still,
A place in my heart, you'll always stay,
This is what's said as we go our own way.

Kent thinks of the party that will follow.

Seniors

As the Seniors awaited the day when they would receive their diplomas, they were busy with making money for their sneak trip. Money making projects included picking up corn, cake raffles, bake sales, car washes, slave days and selling T-shirts, not only for money but for school spirit.

They went to the State Fair during the day and enjoyed the rides etc . . . That night they went to the movie "The Omen". Senior class sponsors were Mr. and Mrs. Lee Froschheiser.

The seniors also went to Missouri at the end of the year for their sneak trip which gave them one last time to enjoy alot of fun together.

Clyde Sorenson, Valedictorian

"Do You Know Where You're Going?"
